Mr. Chris Brown
6 - 421 Nelson Street
Ottawa, Ontario

Dear Mr. Brown,

I have been asked to reply to your letters of July 10 and July 14 to the Honourable Perrin Beatty. Mr. Beatty has asked me to thank you for your kind words on his appointment.

Your ideas and suggestions concerning English Television are being forwarded to our senior programming officers for their information and consideration.

Insofar as the report on the use of scents by businesses is concerned, the CBC does try to present "both sides of the coin" on every issue. Please be assured that CBC makes every effort to be fair, balanced and unbiased in all its news and current affairs programs. We are sorry to know that, in your view, we failed to meet these criteria in this instance. Your comments will be passed on to the appropriate officials at our network production centre in Toronto.

Thank you for taking the time to write.

Sincerely,

A handwritten signature in blue ink that reads "Jeanne Marsolais".
